Missions This offering supports the efforts of the church both locally and nationally to work with poor and minority missions. A portion is sent to the national Office for Black and Indian Missions. The rest provides financial assistance to minority students in our diocesan Catholic schools. Your generosity provides the means for ministry and Catholic education for those most in need throughout the nation and here at home.

The Sanctuary Lamp burns this week in the church in loving memory of Patricia Shinskie by Wayne & family.

Human persons are not to be understood merely from the perspective of their past histories or from...the present... We must always see in other human beings persons with whom we shall one day share God's joy. We must look upon them as persons who are called, together with us, to be members of the body of Christ, with whom we shall one day sit at table with Abraham, Isaac, and Jacob, and with Christ himself, as their brothers and sisters, as the brothers and sisters of Christ, and as children of God. *Pope Benedict XVI, "In the beginning..." A Catholic Understanding of the Story of Creation and the Fall, p. 49.*

Spiritual Adoption Program

Month Four: Well, your little baby now weighs six ounces. Baby has fingernails and eyelashes. Baby has his/her own unique fingerprints, which will remain the same until he/she dies. Baby's taste buds are working. Baby's sense of hearing is developing and present at 14 weeks. There are no major developments anymore. Your spiritually adopted baby is already well-formed, internally and externally. All baby needs now is time to gain weight and grow strong. What a miracle baby is!

Dear Queen of the Most Holy Rosary Parish I am finishing up my year long tour here in Iraq and wanted you to know how you have helped me get through this tough time for our family. I appreciate you listing my name in the church bulletin and also for all of your prayers, kind thoughts and gestures and I can't thank you enough. It was difficult to be gone from my family for a year but having loving extended family like you all made the time a little bit easier. We live in a glorious free nation with remarkable citizens and I am proud to serve this country and wear this uniform. May God continue to bless all of you and the United States of America.

Very Respectfully, Master Sergeant Thomas E Temple, United States Air Force
