WHAT DO YOU DO? It happens frequently. It can be embarrassing or hurtful. It is a time of stress and even anger. That issue is not world peace. . . but getting a Sponsor Letter. Many times people are asked to be Godparents. To be one means you are, practicing your faith, weekly attendance at Mass, involvement, supporting your parish, and if married, you are married in the Catholic Church. We are obliged to offer such a letter only with a clear knowledge of a person living their faith. They cannot support another person in what they have not embraced for themselves!
