The Ten Commandments to which Jesus refers in his answer [to the rich young man] are only to clarify the commandment of love. They are, so to speak, rules of love, they indicate the way of love with these essential points; the family, as a foundation of society; life, to be respected as a gift of God; the order of sexuality, of relations between man and woman; the social order and, how to find the right route. Hence there is a fundamental will of God for us all, which is identical for us all. However its application is different in every life, for God has a specific project for each person. **Pope Benedict XVI, Address to the Meeting with the Youth of Rome, March 25, 2010**
