To the parishioners of Holy Rosary, thank you for dedicating your Lenten project to Water With Blessings! We're grateful to you for the 839 water filter socks you crocheted and for the \$240 which will support our mission of bringing clean water to God's thirsty children.

Every day there are children around the world who get sick from drinking dirty water, but thanks to your tremendous generosity there will be fewer children who suffer waterborne illness. The funds you raised will help sponsor 4 mothers in a developing country to receive household water filtration systems. Each mother shares with 4 other families, which means your gift will bring clean water to 16 families for a LIFETIME!

Thank you for having hearts for God's thirsty children. Many thanks and blessings to you! If you wish to learn more about the impact of your gift, please visit: www.waterwithblessings.org.

With gratitude, Water With Blessings
