St Blaise was a medical doctor and throat specialist. He was also appointed a Bishop. A very devout and holy man, St Blaise performed numerous miracles in his lifetime. In 316 he was arrested, beaten and beheaded for refusing to renounce his Christian beliefs and practices. As he was being led to his martyrdom he saved the life of a young boy who was choking to death, caused by a fish bone in his throat. St Blaise remains very popular and throat blessings are a common practice. The Feast of St. Blaise is 3rd February. *“Through the intercession of St. Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness, in the name of the Father, and of the Son, and of the Holy Spirit.”*
