St. Valentine - Officially **Saint Valentine of Rome**, was a widely recognized 3rd-century Roman saint commemorated on February 14 and since the High Middle Ages is associated with a tradition of courtly love. Saint Valentine of Rome was a priest in Rome who ministered to Christians, who were persecuted there. He was martyred and buried at a Christian cemetery on the Via Flaminia close to the Ponte Milvio to the north of Rome, on February 14, which has been observed as the Feast of Saint Valentine (Saint Valentine's Day) since 496 AD. The relics of Saint Valentine were kept in the Church and Catacombs of San Valentino in Rome. February 14 is also the feast day of Saints Cyril and Methodius.
