\*Opening Prayer – Fr. Scanlin

\*Financial Briefing – Sheila Olsheskie

As of Feb. 2018 Cash Balance of \$31,977.00 Combined Savings Balance of \$105,459.87.

Preparations for the 2018-2019 budget are underway.

A notification of an additional endowment from an estate has been received and will be placed into our savings when received.

\*A review of our Lenten activities and upcoming Holy Week was presented by Fr. Joe. Sheila Olsheskie also spoke about an event in June celebrating the Sacrament of Marriage, more information to follow.

\*Brian Major had questioned additional emergency lighting within the body of the Church. This was investigated and additional lights will be installed in the near future.

\*Additional lighting in the parking lot was also discussed. It is needed especially during the Fall and Winter months. Tim Staniszewski will install additional lighting on the entrance canopy.

\*A call has been placed to our sound technician in regards to additional speakers in the Church and the grounding problems with the sound system in the Fr. Slough Hall.

\*Handicapped Accessible Doors for Church

Estimated have been received and were discussed. It was decided that instead of just adding an automatic door opener to replace the existing doors new door(s) entrance would be created. We will obtain additional information for other door designs and the cost of a service contract.

\*Roof Repairs

The Chapel hallway roof is leaking in several places and is need of repair. We have received an estimate in the amount of \$5,800.00 for a new roof. The Finance Council unanimously recommended to have the roof replaced.

\*Wireless Headphones were also discussed as an addition to the Church for the hearing impaired.

\*Closing Prayer – Fr. Scanlin
